

## Attention Meadow Wood Park Condo Residents:

The Meadow Wood Park board of directors, via your property management with Associa HRW, has directed our company to notify residents that we will be pressure washing condominium buildings in your community **August 30 – September 6, 2017**.

Interior access will be needed for units on the two highest floors. If the notes on the reverse show that interior access is needed for your address, please sign up for a time slot on our website or contact us so that we may sign up on your behalf. A schedule is on the reverse of this flyer and at [southernor.com/mwp](http://southernor.com/mwp).

We will be washing the exterior of the homes with a low-pressure, soft wash process that uses a detergent to clean, not high pressure.

Please help us ensure the best wash result possible by temporarily removing ALL potted plants, grills, cloth furniture, electronics, and breakable décor on your porches, patios, and balconies prior to your service date. We ask that you keep your windows securely closed.

Sign up for interior access time slots and view more information online:

We look forward to providing you a crisp, clean, and courteous result. Our work hours generally start at 8:00 am and end at 4:30 pm. Please feel free to contact me directly or with any questions or concerns regarding this project. Thank you for your cooperation in advance,
